

Remarks

The specification is being amended to identify the (now allowed) co-pending application to which this application is related as a continuation thereof.

Claims 1 – 14 from the parent application have been canceled, without prejudice, and new claims 15 – 28 are being presented for consideration. None of these claims is believed to be properly subject to a same invention double patenting rejection based on any of the allowed claims in the parent application.

Drawing sheets containing corrected versions of Figs. 2, 3 and 4 are being submitted. Counterparts of these corrected drawing sheets were approved in connection with the aforesaid parent application.

Favorable action on this application at an early date is respectfully requested.

Respectfully submitted,

EMCH, SCHAFFER, SCHAUB  
& PORCELLO CO., L.P.A.
